

VETERINARY PHARMACOLOGY
IN THE PHARMACEUTICAL INDUSTRY

Proceedings of the Ninth Biennial Symposium

The American Academy of Veterinary Pharmacology and Therapeutics

Kalamazoo, MI
June 15-19, 1994

Edited by A. D. Jernigan, L. M. Sadler and S. A. Brown

Preface

The Ninth Biennial Symposium of the American Academy of Veterinary Pharmacology and Therapeutics (AAVPT), held June 15-19, 1994 in Kalamazoo, MI, was organized and sponsored by pharmaceutical companies whose members participate in AAVPT, and was hosted by The Upjohn Company. The symposium focused on the use of veterinary pharmacology by the pharmaceutical industry. The sessions concentrated on current involvement of veterinary pharmacologists in the human and animal health discovery and development processes, new advances in pharmaceuticals, regulatory requirements for drug approval, and participation of academicians with industry. Graduate student research presentations and annual business meetings of the Academy and of the American College of Veterinary Clinical Pharmacology were held in conjunction with the symposium.

The Organizing Committee sincerely thanks the following pharmaceutical companies for their financial support:

Boehringer Ingelheim Animal Health, Inc.
Ciba Animal Health
Center for Veterinary Medicine/FDA
Fort Dodge Laboratories
Hoechst-Roussel Agri-Vet Company
Merck Sharp & Dohme Research Laboratories
Miles, Inc.
Sanofi Animal Health, Inc.
Schering-Plough
SmithKline Beecham Animal Health
Stolle Milk Biologics International
The Upjohn Company
Zoecon Corporation

Particular thanks goes to Linda Sadler, the Upjohn Company, for her organizational and secretarial support of this symposium.

Organizing and Program Committee:
